

Domestic Private Sector Workload Estimate

**CMAV Workload
FY24 Q1 – FY24 Q4
as of 06 DECEMBER 2023**

Industry Version

"This information is to provide U.S. DoD industry contractors a general schedule (for information and planning purposes only) for upcoming surface ship maintenance periods - It does not constitute any request for information or request for proposals, nor is it a commitment to contract for work in accordance with this plan. This information is provided to U.S. DoD industry contractors to give a broad overview of frequently changing (driven by U.S. Navy operations) maintenance schedules and is not a guarantee of exact workload or ship schedules"

"Distribution Statement A: Approved for Public Release; Distribution is unlimited."

- Data contained in this report reflects the Navy program of record as of 06 DECEMBER 2023.
- This report is provided to our CONUS industry partners for information and planning purposes only. The information provided reflects a broad overview of current maintenance schedules and is subject to change based on operational commitments. It does not constitute a request for information or proposals, nor is it a commitment to contract work in accordance with this plan.
- The next bi-monthly CMAV workload projections are targeted for release no later than 29 FEBRUARY 2023.
- Availability duration and schedule review, tailored acquisition strategies and ongoing budget negotiations may refine out-year projections.

“This information is to provide U.S. DoD industry contractors a general schedule (for information and planning purposes only) for upcoming surface ship maintenance periods - It does not constitute any request for information or request for proposals, nor is it a commitment to contract for work in accordance with this plan. This information is provided to U.S. DoD industry contractors to give a broad overview of frequently changing (driven by U.S. Navy operations) maintenance schedules and is not a guarantee of exact workload or ship schedules”

“Distribution Statement A: Approved for Public Release; Distribution is unlimited.”
